Seasoned.

In terms of catering, it's fair to say we live and breathe our food.

Not only do our World Master Chefs produce new menus frequently, but we chat about them every day, we always tailor them to our couples and, most importantly we love eating them every day so they have to get our seal of approval too!

We have over 40 years' experience and we understand Gunnersbury Park and what menus work best in its beautiful spaces.

Seasoned kitchen understands peoples' passion for beautiful food and inspirational design and is continually challenged to produce evermore creative menus. Our philosophy is simple, using quality, seasonal ingredients to create classic dishes but with an innovative presentation design.

But most importantly... if it's not on our menus we're not afraid to create it for you. In fact we relish it!

Our small and dedicated hospitality and events team consisting of steward staff, x 1 security staff and your very own event manager is with you every step of the way.

The ceremony package includes ice chairs with gold seat pads, a dressed top table with a faux floral arrangement in blush tones.

Viewing the venue?

The House is also a museum and is open to the public; Tuesday – Sunday from 10:00am – 4:30pm. Please note this may change depending on any events taking place in the venue. It is possible to view the House outside of the above times by special arrangement so please speak to the team about this.

Next steps after seeing the venue?

After you have had the chance to meet with one of our event managers, you can hold a date provisionally with us at no extra fee.

Once you are ready to proceed, a confirmation booking form will be sent to you for completion. At this point an event manager will be assigned and all relevant paperwork will be raised and sent over to you. The paperwork will include a copy of our contract together with an invoice for 50% deposit of your venue hire fees. The final 50% payment is required no later than 6 weeks before your chosen date. Please note this is flexible depending on the event. Payments can be made via cheque, bank transfer or credit/debit card.

Outdoor space?

Gunnersbury Park is set in 72 hectares of public parkland with a variety of options for incredible photo backdrops. Highlights include the sweeping South lawns, the North lawns and our beautiful Italianate garden. The South and North lawns are located to the front and rear of the House. The Italianate garden is situated directly behind the Temple whilst the front of the Temple sits on the round pond and offers impressive views of the park beyond.

Want to get married outside?

Outdoor ceremonies are possible at Gunnersbury Park House.

Booking a civil ceremony?

Please contact Hounslow Register Office on 020 8583 2085 to ask about the necessary legal requirements and fees for a civil ceremony or partnership. We recommend contacting the Register Office to confirm their availability for any ceremonies taking place at Gunnersbury Park. Ceremonies can take place Monday – Sunday throughout the year. We can place a provisional booking in the diary for you until you've had a chance to confirm your ceremony with them.

Is the hired area open to the public?

Gunnersbury Park is opened to the public from 7am until dusk every day. However, there is no public access to the spaces that you are hiring which offers privacy to you and your guests.

Dogs in the house?

Dogs are not allowed in the house unless they are guide/assistant dogs. Dogs are permitted for outdoor events only and should be discussed with your event manager in advance.

FAQs

Can I bring in my own caterer?

Catering services are all provided by companies on our accredited lists. Gunnersbury Park House is a Grade II* listed building and due to the historic nature of the site, we ask you to choose from our accredited suppliers only.

We're delighted to be able to offer a drop-off catering package through our partner, Seasoned. If you choose the 3hr package with this package or you simply choose to have drinks and bring your own, it is your responsibility to ensure that you make arrangements to ensure that any rubbish is cleared and taken away from Gunnersbury Park at the end of the hire.

What about decoration and floristry?

Like many other historic venues, nothing can be attached to any of the walls, ceilings or floors internally or externally in our buildings. Freestanding decorations or stands are recommended. Naked flames and candles are not permitted within the sites but there are plenty of lovely alternatives that are available. We have a recommended list of florists who have previously provided arrangements for events and who are familiar with our venues. However, if you prefer, you are able to select your own.

String quartet or band?

You are welcome to bring a string quartet or band of your choice. Your event manager will be able to provide you with details on restrictions and guidelines.

Confetti?

Bio-degradable confetti is permitted outside at Gunnersbury Park.
Confetti shooters are not permitted.

Cancellation or postponement?

We understand that in exceptional circumstances clients may need to postpone or cancel their event. You may cancel a booking by giving notice in writing. Depending on the notice provided, you may incur cancellation charges. Please contact your allocated Event Manager to discuss your options.

Will current prices apply to weddings in 2023, 2024 & 2025?

Published prices apply to all weddings before the end of March 2024 but may be subject to change. Please note changes may apply if your requirements change.

Is smoking permitted?

Smoking will be restricted to an approved designated outside area.

Car parking?

If you wish to view the House, parking is available in the Gunnersbury Park public car park – approx. 5 mins walk away. Parking charges may apply, please refer to car park signage. For private events only, we have a small car park located next to the House for up to 10 cars (in addition to a max of 4 blue badge holders – please note they take priority).
